25X1A

1. [REDACTED] construction work at Tutow airfield was not taken over by the Bauunion Berlin. Allegedly, the Brandenburg Bauunion was to carry out the construction.
2. [REDACTED] in early February that a Bauunion hired workers in the vicinity of the airfield.

25X1A

25X1A

[REDACTED] In October 1952, surveying at Tutow airfield was done by the Bauunion Brandenburg which handed over its records to the Bauunion Berlin. Subsequently, construction work was to be done by the Bauunion Spree which was organized from the Bauunion Berlin. However, work was delayed because of a shortage of funds and material. According to the present report, it appears that construction work is actually to be carried out by the Bauunion Brandenburg.
